Clean TeQ raises \$1.3 million in equity placement

Clean TeQ Holdings has raised \$1.3 million with a placement to two strategic investors which will support key initiatives in the water and resource recovery business units.

Hong Kong based Aromatrix Technologies has subscribed for A\$1.0 million worth of ordinary shares at 7.0 cents a share. The issue of 14,285,714 shares will see Aromatrix hold 5.45% of CleanTeQ's ordinary issued shares.

Separately, cornerstone shareholder Mr Robert Friedland has topped up his holding such that he has maintained a 19.9% interest on a fully diluted basis, by subscribing for 4,400,000 ordinary shares at 7.0 cents each. Mr Friedland now holds 16.35m ordinary shares and 35.7m convertible notes.

Clean TeQ CEO Cory Williams said today: *"We welcome Mr Friedland's continued support and look forward to progressing discussions with Aromatrix on collaborative opportunities in the air purification industry."*
