Dear Yulia,

### **Energy Resources of Australia Limited ('ERA'): Price Query**

Energy Resources of Australia Ltd (**ERA** or the **Company**) refers to your letter dated 16 January 2024 entitled "Energy Resources of Australia Limited ('ERA'): Price Query" (**Letter**) in which you requested certain information.

The Company's responses to your queries are detailed below. Capitalised terms used in the response have the same meaning as given in the Letter unless otherwise required:

**1. Is ERA aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

*No.*

**2. If the answer to question 1 is "yes".**

**(a) Is ERA relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in ERA's securities would suggest to ASX that such information may have ceased to be confidential and therefore ERA may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.**

*Not applicable.*

**(b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).**

*Not applicable*

**(c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?**

*Not applicable.*

**3. If the answer to question 1 is "no", is there any other explanation that ERA may have for the recent trading in its securities?**

*ERA notes there has been a significant appreciation of the global U3O8 (Uranium) spot price over the past week with the most recent price reported at \$105.75 USD per pound (Source: TradeTech).*

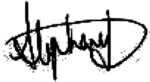

**4. Please confirm that ERA is complying with the Listing Rules and, in particular, Listing Rule 3.1.**

*ERA confirms that it is complying with the Listing Rules and, in particular, Listing Rule 3.1.*

**5. Please confirm that ERA's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of ERA with delegated authority from the board to respond to ASX on disclosure matters.**

*ERA confirms that the above responses have been authorised and approved by the Disclosure Committee.*

Yours sincerely,

information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, ERA's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require ERA to request a trading halt immediately.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

In responding to this letter, you should have regard to ERA's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure*: Listing Rules 3.1 – 3.1B. It should be noted that ERA's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

### **Release of correspondence between ASX and entity**

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.
