

## ASX Announcement

---

### Update on legal proceedings

**12 May 2025**

Energy Resources of Australia Ltd (**ERA**) refers to the previously announced legal proceedings in relation to the decision not to renew the Jabiluka Mineral Lease.

The Federal Court of Australia has today determined to vacate the final hearing for the legal proceedings with the consent of all parties. A new date has not been set, and the proceedings will be listed for a case management hearing on date not prior to 9 June 2025. ERA will keep shareholders informed of material updates in accordance with its continuous disclosure obligations.

This announcement is authorised by the Independent Board Committee.

### About Energy Resources Australia Ltd

Energy Resources of Australia Ltd (ERA) has been one of the nation's largest uranium producers and operated Australia's longest continually producing uranium mine.

After closure of the Ranger Mine in 2021, ERA is now committed to creating a positive legacy and achieving world class, sustainable rehabilitation of former mine assets.

The Ranger Rehabilitation Project is located on Aboriginal land and is surrounded by, but separate from, Kakadu National Park. ERA respectfully acknowledges the Mirarr people, Traditional Custodians of the land on which the Ranger Project Area is situated.

ERA's Ranger Project Area (100%) is located eight kilometres east of Jabiru and 260 kilometres east of Darwin, in Australia's Northern Territory. ERA also holds title to the Jabiluka Mineral Lease (100%) and is a signatory to the Long Term Care and Maintenance Agreement over the Jabiluka Mineral Lease.
