Dear Listings Supervision,

Energy Resources of Australia Limited (**ASX: ERA**) (**Company**) requests a trading halt in the Company's fully paid ordinary shares pursuant to Listing Rule 17.1.

In accordance with Listing Rule 17.1, the Company provides the following information in support of its request:

- (a) The Company has been notified that the Federal Court of Australia is scheduled to deliver judgment at 10:15am AEST on 5 June 2026, concerning Rio Tinto's application for court approval of the compulsory acquisition of the remaining shares in ERA pursuant to section 664F of the Corporations Act 2001 (Cth) (**Proceedings**).
- (b) Given the judgment is scheduled to be delivered during normal trading on ASX, there is a risk that trading in ERA securities may occur while there is an asymmetry of information available to the market as to the outcome of the Proceedings.
- (c) The Company will require time to review the judgment and prepare an appropriate market announcement in accordance with its continuous disclosure obligations under Listing Rule 3.1.

The trading halt is requested from the commencement of trading on 5 June 2026 until the earlier of:

- a. the Company releasing an announcement in relation to the Proceedings; and
- b. the commencement of trading on 9 June 2026.

The Company is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely,

Stephanie So

Company Secretary
