### Smart Parking Limited (ASX:SPZ) Wins New Contract In New Zealand

#### Highlights

- Smart Parking wins new contract from Wilson Parking New Zealand
- Smart Parking to install sensor and bay-finding technology
- Smart Parking technology expected to be used at nine new Wilson Parking New Zealand sites, which will include over 3,000 parking bays

**Thursday 25 May, 2017 - Global parking business Smart Parking Limited (ASX:SPZ)** ('Smart Parking' or 'the Company') Smart Parking is delighted to announce it has won a new contract in New Zealand, having been chosen by Wilson Parking New Zealand as the preferred supplier of sensor and bay-finding technology at nine new sites.

The deal marks a continued cooperation with Wilson Parking New Zealand, which already has Smart Parking technology installed in 1,134 bays across four sites in FY17.

Within the next twelve months Wilson Parking New Zealand expects to roll out up to nine new sites which will encompass over 3,000 parking bays. As preferred supplier, Smart Parking will provide its state-of-the-art parking technology at these locations.

Smart Parking's sensors enable facilities to have access to real-time vehicle and parking space data. The bay-finding system identifies available spaces and then guides customers to them using clear digital signage and LED lighting. In conjunction, these technologies improve parking management, traffic flow, and overall customer experience.

#### CEO Commentary

**Smart Parking CEO Paul Gillespie:** "We are proud to announce that we are now the preferred supplier of sensor and bay-finding technology for Wilson Parking New Zealand. The continued uptake of our systems in the region further cements our position as a world leader in the design, development and management of parking technology".

Ends.
