Appendix 3B

Following successful completion of the retail component of the entitlement issue and allotment thereunder, attached is a final Appendix 3B.

For clarity:

- due to the conversion of small amounts of certain NZ employee performance rights to ordinary shares prior to and during the entitlement process and a small number of shares issued under the entitlement issue for rounding purposes, the total amount of shares issued under the Entitlement Issue was slightly higher than set out in the Appendix 3B lodged on 19 February, 2014 (83,420,123 issued versus 83,323,441).
- The total amount of retail shortfall shares was 33,786,817. Of this amount, 32,436,957 was allocated to the sub-underwriter which is a major shareholder of the Company as stated in the Company's announcement on 18 March, 2014.
