### Award of Contract – Transport for London

Smart Parking Ltd (ASX:SPZ or **Company**) advises that it has entered into a contract (**Contract**) with Transport for London (**TFL**) to install and operate parking sensor technology across 27 TFL car parks in the greater London area, with a total of 1,491 version 2 bay sensors to be installed and maintained. Under the Contract, the Company will maintain the sensors for a period of 5 years.

The Company looks forward to working closely with TFL to ensure the efficient regulation of these car parks, with scope to expand the Company's sensor technology offering across the broader TFL estate.
