Mosman Council, Sydney – Award of Contract

Smart Parking Ltd (ASX: SPZ) (**Company**) is pleased to advise that it has won the tender and entered into a contract (**Contract**) with Mosman Council (**Mosman**), Sydney for the supply, installation and maintenance of parking technology hardware and related software.

Under the Contract, the Company shall:

- install its vehicle detection sensor and related monitoring system in 4 main areas of Mosman, covering over 500 individual parking bays.
- install its wireless parking guidance system across 3 multi-level buildings with 20+ wayfinding signs. This solution will also cover 500+ individual bays with the Company's overhead indicators.
- provide a parking guidance smartphone app for motorists in Mosman, utilising real-time information gathered from the Company's sensing products.
- provide ongoing maintenance services in respect of the Company's installed technology hardware.

The Company looks forward to working closely with Mosman to improve efficiencies and the motorists experience in Mosman.
