## Cardiff City Council – Executed Contract

Further to its announcement on 21 December 2016 and the detail provided in the FY17 First Half Results Presentation, Smart Parking Ltd (ASX: SPZ) (**Company**) advises that it has concluded negotiations with Cardiff City Council (**Cardiff City**).

The Company is pleased to advise that it has now executed a contract with Cardiff City for the provision of 3,000 parking sensors and Automatic Number Plate Recognition technology. The Company will also provide ongoing parking data to an App (for real-time on-street parking availability) and to Cardiff City for operational and management purposes.

Under the contract, the Company will provide maintenance services in respect of the sensors for a period of 5 years.

The Company is delighted to continue to work with the Cardiff City who have embraced bay sensor technology as part of their wider Smart City strategy.
