INTERIM DIVIDEND – DIVIDEND RE-INVESTMENT PLAN

The Appendix 4D Half year report released to the ASX on 28 February 2006 noted that the company's dividend re-investment plan would be operating for the declared interim dividend. This is incorrect. The DRP will not be in operation for the interim dividend.

For information the record date for the interim dividend payment of 2.5 cents fully franked is 10 March 2006 with payment date being 24 March 2006.

Any queries should directed to the undersigned.
