Dear Sir/Madam

**Structural Systems Limited ACN 006 413 574  
Share Purchase Plan**

Structural Systems Limited (**Company**) (ASX Code STS) is pleased to confirm that it has raised \$5.750 million through its share purchase plan (SPP). An additional 7.37 million shares will be issued as a result of the SPP.

The company is delighted at the response from its shareholders to the SPP. A total of 595 shareholders subscribed to the SPP and \$7,515,460 has been received. The amount received is substantially greater than expected and the board has decided to cap the funds received from the SPP to the same level as that raised by the recently completed share placement.

As a result of the cap on the amount raised by the SPP, each shareholder's subscription will be reduced by approximately 24%.

Yours faithfully

.....  
**Stuart Gray**  
**Company Secretary**
