Tempo secures another blue chip customer

- Tempo secures contract in Port Hedland
- Contract is for process equipment installation.
- Immediate start and contract scheduled to be completed first half of 2016.

Mining and energy sector services company, Tempo Australia Limited (ASX: TPP) is pleased to announce that its subsidiary Tempo Construction & Maintenance Pty Ltd has been awarded a new contract in Port Hedland, Western Australia.

The contract is for the Stage 2 installation and commissioning of process equipment at BHP Billiton Iron Ore's Mooka Ore Care Repair Shop facility.

This is a significant contract for Tempo as it is the Company's first direct contract with BHP Billiton Iron Ore. Mobilisation of personnel to site is expected to commence immediately, with management and supervision staff followed by skilled Structural, Mechanical and Piping, Electrical & Instrumentation (SMPE&I) trade personnel.

The contract is expected to be completed in the first half of 2016.

Tempo Australia Limited Chairman Carmelo Bontempo said:

"We are delighted to be awarded our first direct contract with BHP Billiton Iron Ore. We are currently working on the Mooka site for other clients, and I believe that the high quality of work we have delivered to date has helped secure this contract. We now look forward to working directly with BHP Billiton Iron Ore and building a strong, ongoing relationship, as we have with our other blue chip customers."
