93,154,032

7D.1c (ii) Please explain why the entity has chosen to do a placement rather than a +pro rata issue or an offer under a +security purchase plan in which existing ordinary +security holders would have been eligible to participate

Unsolicited demand from domestic and international institutional and sophisticated investors for investment at a premium to the most recent placement in September 2019. With the imminent spud of the Charlie-1 well the timing of a security purchase plan or pro rata issue would have likely closed during drilling operations, potentially when early drilling results become known.
