ABOUT AUSCANN GROUP

AusCann is an Australian based company that was incorporated in September 2014 with the aim of producing and providing high quality, economical and clinically validated cannabis medicines to patients. It is bringing together leading expertise and operations across all aspects of the medical cannabis value chain, beginning with cultivation and production, through to manufacture and distribution of products and has built a strong team of experts and partners with international connections. Partners include TSX listed Canopy Growth Corporation, the largest producer of medicinal cannabis in North America, DayaCann, the only licensed medicinal cannabis grower in Chile and Tasmanian Alkaloids, producer of ~40% of the world's opiates.
