DIRECTORS' REPORT

Your directors submit the financial report of the Company for the half year ended 31 December 2006. In order to comply with the provisions of the Corporations Act 2001, the directors report as follows:

Directors

The names of directors who held office during or since the end of the half year and until the date of this report are as below. Directors were in office for this entire period unless otherwise stated.

Andrew R Bantock	Executive Chairman
John R McIntyre	Executive Director (Resigned 15 February 2007)
Timothy R B Goyder	Non-executive Director
Bryan W Alexander	Non-executive Director
Anthony W Kiernan	Non-executive Director (Appointed 15 February 2007)

Review of Operations

During the period, the Company completed over 12,600 metres of air core drilling at Yandearra to test seven large geochemical targets. Anomalous results were recorded from four prospects.

Over 2,400 metres of RAB/air core drilling was completed at Chalice and Higginsville. In addition, an Induced Polarisation survey has defined five coherent chargeability anomalies south of the Chalice mine. At Higginsville, an additional gold target area (Cowan Mission Fault) has been outlined on Lake Cowan.

At Gnaweeda, Teck Cominco, through an exploration joint venture, actively tested targets. Further drilling is planned over the next 12 months.

In addition to the above exploration activities, and as advised in the Letter to Shareholders within the Company's 2006 Annual Report, the Company actively pursued other projects and asset investment opportunities during the half year.

The Company incurred a loss of \$2,350,185 for the period, predominantly as a result of an accounting write-down of exploration and evaluation assets of \$1,608,475. This relates to the write-down of the Yandearra project following results of the recent drilling program.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of an Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001*, including giving a true and fair view of the company's financial position as at 31 December 2006 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Chalice Gold Mines Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001* has been provided to the directors of Chalice Gold Mines Limited on 8 March 2007.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Chalice Gold Mines Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the company's financial position at 31 December 2006 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
