Accordingly, Mr Goyder is required to retire in accordance with the Constitution and therefore needs to seek re-election at this Annual General Meeting. Mr Goyder offers himself for re-election and the Director of the Company (other than Mr Goyder) **recommend** shareholders approve his re-election.

Details regarding Mr Goyder are set out in the 2007 Annual Report.

---

**RESOLUTION 3 – ISSUE OF OPTIONS TO ANTHONY KIERNAN, A DIRECTOR OF THE COMPANY**

Resolution 3 seeks shareholder approval for the Company to allot and issue 500,000 Options over ordinary Shares in the Company to Anthony Kiernan as follows:

<b>Recipient</b>	<b>Options</b>	<b>Exercise Price</b>	<b>Expiry Date</b>
Anthony Kiernan	500,000	\$0.25	1 December 2012

Shareholder approval for the grant of the Options the subject of Resolution 3 is sought for the purposes of Chapter 2E of the Corporations Act which governs the giving of financial benefits to "related parties" which includes directors.

Shareholder approval is also sought under Listing Rule 10.11 which requires that an entity must not issue securities to a related party, or a company controlled by the related party, without shareholder approval. If approval is granted pursuant to Listing Rule 10.11 then approval is not required under Listing Rule 7.1.

**1. Purpose and Key Terms of Options**

The purpose of the proposed grant of Options is to provide Anthony Kiernan with an added incentive in carrying out his duties as a director of the Company. Given the size of the Company and its need to preserve cash, the issue of Options is a valuable part of the compensation to be provided to Mr Kiernan.

Mr Kiernan is a Solicitor who joined the Board in February 2007 and as can be seen from his details in the 2007 Annual Report, he is not only an experienced lawyer but an experienced businessman.

If the proposed allotment is approved, the Options will be issued as soon as practically possible following the meeting and within one month of the meeting and for nil consideration. The Options must all be exercised by 1 December 2012 otherwise they shall lapse.

## **2. Terms of the Options**

Subject to shareholder approval, the Options will be granted on the terms and conditions set out below:

- (a) the Options will vest immediately upon issue.
- (b) the Options are exercisable at any time prior to 5.00pm WST on a 1 December 2012 ("Options Expiry Date").
- (c) subject to these terms, each Option shall entitle the optionholder to acquire 1 fully paid ordinary share in the capital of the Company upon payment of 25 cents per Option to the Company;
- (d) the Options are not transferable without the prior written consent of the Company which such consent shall not be withheld if the assignee or transferee of the Options is an entity controlled by the optionholder and in which he has in excess of a 75% equity interest and provided the assignee enters into a Deed with the Company agreeing not to transfer the said Options;
- (e) the Options are exercisable by delivering to the registered office of the Company a notice in writing stating the intention of the option holder to exercise a specified number of Options, accompanied by an option certificate, if applicable, and a cheque made payable to the Company for the subscription monies due, subject to the funds being duly cleared funds;
- (f) the exercise of only a portion of the Options held shall not affect the holder's rights to exercise the balance of any Options remaining;
- (g) the Company will allot the corresponding Shares upon an exercise of Options and deliver notification of share holdings within 10 Business Days after the allotment of the Shares;
- (h) Shares allotted pursuant to the exercise of the Options will rank, as and from the date of allotment, equally in all respects with the then existing Shares;
- (i) a statement of holding will be issued in respect of the Options. The reverse side of each certificate will set out a statement of the rights of the option holder that is to be completed when exercising the Options. If there is more than one Option comprised in a statement of holding and, prior to the Options Expiry Date, these Options are exercised in part, the Company will issue another statement of holding in respect of the balance of the Options held;
- (j) application will not be made to ASX for official quotation of the Options. Application will be made to ASX for official quotation of the Shares issued on exercise of Options;
- (k) the Options do not confer any participating rights or entitlements and the Holder is not entitled to participate in new issues of capital offered to shareholders during the currency of the Option. However, the Company must ensure, that for the purposes of determining entitlements to any such issue, the books closing date, is at least 10

Business Days after the issue is announced. This will give the Holder the opportunity to exercise any Option which the Holder is entitled to exercise before the date for determining any entitlements to participate in that issue;

- (l) each Option will be subject to a condition that in the event of reconstruction (including consolidation, sub-division, reduction or return) of the issued capital of the Company, all rights of the option holder will be varied in a manner consistent with the Listing Rules;
- (m) the Options will not give any right to participate in any dividends declared by the Company until such time as Shares are allotted pursuant to the exercise of the relevant Options;
- (n) an option holder cannot participate in new issues of Shares without first exercising its Options; and
- (o) an option holder has no right to change the exercise price of the Option or to change the number of Shares over which the Option can be exercised.

### **3. Part 2E of the Corporations Act**

Part 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party (such as a director) of the Company, unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the relevant provisions of the Corporations Act; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

For the purposes of Part 2E Anthony Kiernan is considered to be a related party of the Company.

The proposed grant of options to Anthony Kiernan involves the provision of a financial benefit to a related party and, in the opinion of the Directors, should be put to shareholders for approval.

In accordance with the requirements of Part 2E and in particular, section 219 of the Corporations Act, the following information is provided to shareholders to allow them to assess the proposed grant of options:

- (a) Anthony Kiernan is a related party of the Company to whom the financial benefit would be given;
- (b) the nature of the financial benefit to be given is the grant of Options in the Company;
- (c) Messrs Bantock, Goyder and Alexander, each being directors of the Company recommend shareholders approve Resolution 3 being the issue of Options to Anthony Kiernan as they believe the issue of Options is an appropriate form of incentive to him. None of these named directors have an interest in this Resolution 3.
- (d) the Options are issued free of charge however upon exercise, Mr Kiernan will be required to pay the exercise price of 25 cents for each Option exercised. If Mr Kiernan were to exercise all Options granted, he would be required to pay \$125,000; and

- (e) the Directors not having an interest in Resolution 3, do not consider that there is an opportunity cost to the Company in issuing these Options as they are designed to provide an incentive to Mr Kiernan and are not issued for the purposes of raising additional capital.

An estimate of the value of the Options proposed to be granted pursuant to Resolutions 3 using the Black and Scholes Option Pricing Model has been calculated as set out below:

Name of Related Party	Number of Options	Total Value using Black & Scholes
Anthony Kiernan	500,000	\$54,928

The value has been calculated using the following assumptions:

Assumptions	
Risk free interest rate	6.3%
Current share price	17 cents
Dividend yield	0%
Forecast volatility	85%
Option exercise price	25 cents

A forecast volatility of 85% has been assumed based on the average volatility of the Company's share price over the last 6 months.

#### 4. Other Information

Neither the Directors nor the Company are aware of any other information that would be reasonably required by shareholders to make a decision whether it is in the best interest of the Company to approve Resolution 3 other than as follows and which such information includes the requirements of ASX Listing Rule 10.13:

- (a) following the passage of Resolution 3 the direct and indirect interest of Mr Kiernan in shares and options in the Company will be as follows:

Director	Shares	Options
Anthony Kiernan	270,074	500,000

- (b) if the Options the subject of Resolution 3 are granted and are exercised, the Company's share capital will be diluted by approximately 0.68% (based on the number of shares on issue at the date of the Notice of Meeting);
- (c) the primary purpose of the grant of the Options is to provide an incentive to the Director and not to raise capital;
- (d) the latest price at which shares were issued was 20 cents pursuant to the Company's Prospectus dated 3 February 2006 issued in connection with the application for initial quotation of the Company on ASX. The highest and lowest trading prices for the shares in the 12 month period immediately preceding the Notice of Meeting period were:

	<b>Price</b>	<b>Date</b>
High	18 cents	24 July 2007
Low	11 cents	22 March 2007
Last	17 cents	11 October 2007

- (e) in the last financial year Mr Kiernan received directors fees of \$10,239 and consultants fees of \$15,277 from the Company.
- (f) the maximum number of Options to be issued to Mr Kiernan under this resolution is 500,000;
- (g) the Options will be issued within one month of the date of the meeting;
- (h) no funds will be raised from the issue of the Options, however upon exercise Mr Kiernan will be required to pay the appropriate exercise price.

#### **Scrutineer**

A representative of Chalice Gold Mines' external auditor, HLB Mann Judd, will act as a scrutineer for any polls that may be required at the meeting.

**Instructions for Completing 'Appointment of Proxy' Form**

1. A shareholder entitled to attend and vote at a meeting is entitled to appoint not more than two proxies to attend and vote on their behalf. Where more than one proxy is appointed, such proxy must be allocated a proportion of the shareholder's voting rights. If the shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes.
2. A duly appointed proxy need not be a shareholder of the Company. In the case of joint holders, all must sign.
3. Corporate shareholders should comply with the execution requirements set out on the proxy form or otherwise with the provisions of Section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:
  - Directors of the company;
  - a Director and a Company Secretary of the company; or
  - for a proprietary company that has a sole Director who is also the sole Company Secretary – that Director.

For the Company to rely on the assumptions set out in Section 129(5) and (6) of the Corporations Act, a document must appear to have been executed in accordance with Section 127(1) or (2). This effectively means that the status of the persons signing the document or witnessing the affixing of the seal must be set out and conform to the requirements of Section 127(1) or (2) as applicable. In particular, a person who witnesses the affixing of a common seal and who is the sole Director and sole Company Secretary of the company must state that next to his or her signature.

4. Completion of a proxy form will not prevent individual shareholders from attending the meeting in person if they wish. Where a shareholder completes and lodges a valid proxy form and attends the meeting in person, then the proxy's authority to speak and vote for that shareholder is suspended while the shareholder is present at the meeting.
5. Where a proxy form or form of appointment of corporate representative is lodged and is executed under power of attorney, the power of attorney must be lodged in like manner as this proxy.
6. To vote by proxy, please complete and sign the proxy form enclosed and either:
  - (a) send the proxy form by post to Chalice Gold Mines Limited, GPO Box 2890, Perth, WA, 6001; or
  - (b) send the proxy form by facsimile to the Company on facsimile number +61 8 9322 5800,
