In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting; or
  - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2014 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.cassiniresources.com.au>.

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

### 2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following restrictions placed on certain proxies:

Proxy being appointed	Directed Votes	Undirected Votes
Key Management Personnel (other than the Chair) <sup>1</sup>	Can vote directed votes	Cannot vote undirected votes <sup>3</sup>
Chair <sup>2</sup>	Can vote directed votes	Can vote at discretion of Proxy <sup>4</sup>
Other third party	Can vote directed votes	Can vote at discretion of Proxy

#### Notes:

- 1) Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.
- 2) Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).
- 3) Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- 4) The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions. The Proxy Form states that by appointing the Chair as a proxy (or where the Chair becomes proxy by default) the Shareholder gives the Chair express authority to exercise the proxy on Resolution 1 (except where indicated differently) even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel, which includes the Chair.

---

## 3. RESOLUTION 2 – ELECTION OF DIRECTOR – DR JON HRONSKY

Clause 13.4 of the Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to clause 13.4 of the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Dr Jon Hronsky, having been appointed on 3 April 2014 will retire in accordance with clause 13.4 of the Constitution and ASX Listing Rule 14.4 and being eligible, seeks election from Shareholders for the first time.

### **3.1 Qualifications and Experience**

He is currently a Principal of Western Mining Services (WMS), a consultancy group with offices in Perth and Denver that provides strategic-level services to a wide range of groups (from juniors to majors) across the global mineral exploration industry. Together with WMS colleagues, Jon helps teach a popular course on Senior Exploration Management that has trained over 250 senior industry professionals to date.

Jon is also Chairman of the board for the Centre for Exploration Targeting, an industry focused research group based at the University of WA and Curtin University in Perth, and an Adjunct Professor at both the University of WA and Macquarie University. Jon is also currently Chair of the Australian Geoscience Council, the peak body for geoscience-related professional organisations in Australia.

Other roles include member of the Geoscience Committee for the UNCOVER national initiative to improve under cover exploration in Australia, member of Advisory board for the Centre for Core to Crust Fluid Systems, an Australian Research Council – funded Centre of Excellence based at Macquarie, Curtin and UWA, and invited independent member of the Science Steering Committee for the Deep Exploration Technologies Co-operative research Centre.

In addition, Jon is a non-executive director of junior mining company Encounter Resources Limited, a Western Australian focused base-metals junior explorer that has discovered and is actively exploring a large greenfields copper prospect in the Paterson Province.

Jon obtained his Bachelors of Applied Science degree in Mining Geology (With Distinction) at the Western Australian School of Mines in 1983 and a PhD in Geology at the University of Western Australia in 1994. In 1984 he began working with WMC Resources, eventually becoming Global Geoscience Leader prior to WMC's takeover by BHP in 2005. During that time, his exploration targeting work at WMC led to the discovery in 2000 of the West Musgrave NiS province in WA. Prior to his current role, Jon was Manager of Strategy and Project Generation for BHP Billiton's global mineral exploration group.

Jon was awarded the Gibb Maitland Medal in 2005, the highest award of the WA Division of the Geological Society of Australia and was the 2009 Society of Economic Geology Distinguished Lecturer.

### **3.2 Other Directorships and relationships**

As disclosed at section 3.1 above, Dr Hronsky holds a number of positions with professional and technical organisations, including as a non-executive director of Encounter Resources Limited, none of which affect his capacity to bring independent judgement on issues related to Cassini.

Dr Hronsky also holds a small equity position (2%) in Crossbow Resources, Cassini's JV partner in the X17 project.

### **3.3 Background checks**

In accordance with ASX Corporate Governance Principle 1.2 the Board have conducted background checks on Dr Jon Hronsky. The background checks have not revealed any adverse material information.

### **3.4 Directors' Recommendation**

The Board (other than Dr Jon Hronsky) unanimously recommend Shareholders vote in favour of Resolution 2. The Board considers Dr Jon Hronsky to be an independent Director.

---

## **4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – PHIL WARREN**

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 year, whichever is the longer.

Clause 13.2 of the Constitution provides that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

The Company currently has 4 Directors subject to rotation (excluding the Managing Director) and accordingly 1 must retire.

Mr Warren, the Director longest in office since his last election, retires by rotation and seeks re-election. Mr Warren was appointed a Director on 10 March 2011 and has continuously served as a Director since his appointment.

### **4.1 Qualifications and Experience**

Mr Warren is a chartered accountant and executive director of West Perth based Corporate Advisory firm Grange Consulting Group Pty Ltd. Mr Warren has over 18 years of experience in finance and corporate roles in Australia and Europe. He has specialised in company valuations, mergers and acquisitions, capital raisings, debt financing, financial management, corporate governance and company secretarial services for a number of public and private companies.

Mr Warren has been involved in a number of listed and unlisted company boards. Phil has established a number of ASX listed companies from initial unlisted shell seed raisings through to asset acquisitions leading to ASX listings and continues to act as corporate advisor or non-executive director to many of these companies.

### **4.2 Other Directorships**

Mr Warren is currently a non-executive director of Select Exploration Limited. Mr Warren does not expect that his directorships with other companies or other business activities will interfere with his ability to act as a non executive Director of the Company.

### 4.3 Directors' Recommendation

The Board (other than Phil Warren) unanimously recommend shareholders vote in favour of Resolution 3. The Board considers Mr Warren to be an independent Director.

---

## 5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY

### 5.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 4, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 5.2 below).

The effect of Resolution 4 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

### 5.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$24,031,642.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has 1 class of quoted Equity Securities on issue, being the Shares (ASX Code: CZI).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
  - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
  - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
  - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

### 5.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section, the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the

Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

**(10% Placement Capacity Period).**

**(c) Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	DILUTION			
	Issue Price (per Share)	\$0.105 50% decrease in Issue Price	\$0.21 Issue Price	\$0.42 100% increase in Issue Price
114,436,390 (Current Variable A)	Shares issued - 10% voting dilution	11,443,639 Shares	11,443,639 Shares	11,443,639 Shares
	Funds raised	\$1,201,582	\$2,403,164	\$4,806,328
171,654,585 (50% increase in Variable A)	Shares issued - 10% voting dilution	17,165,458 Shares	17,165,458 Shares	17,165,458 Shares
	Funds raised	\$1,802,373	\$3,604,746	\$7,209,493
228,872,780 (100% increase in Variable A)	Shares issued - 10% voting dilution	22,887,278 Shares	22,887,278 Shares	22,887,278 Shares
	Funds raised	\$2,403,164	\$4,806,328	\$9,612,657

\*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

**The table above uses the following assumptions:**

1. There are currently 114,436,390 Shares on issue as at the date of this Notice of Meeting.
2. The issue price set out above is the closing price of the Shares on the ASX on 2 October 2014.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.

4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for the acquisition of new resource assets or investments (including expenses associated with such an acquisition), continued expenditure on the Company's exploration projects in Nevada and Western Australia (including, but not limited to, feasibility studies, drilling programmes, mineral extraction, metallurgy testing and ongoing project administration), and general working capital]; or
- (ii) as non-cash consideration for the acquisition of new resource assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or

new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 13 November 2014 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 26 November 2013, the Company otherwise issued a total of 57,848,889 Shares and 4,500,000 Options which represents approximately 90.9% of the total diluted number of Equity Securities on issue in the Company on 26 November 2013, which was 68,587,501.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 1.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

#### **5.4 Voting Exclusion**

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 4.

The Board reserves the right to alter the way the funds are applied on this basis.
6. In respect of quoted Equity Securities the value is based on the closing price of the Shares on 2 October 2014 (\$0.21). In respect of unquoted Equity Securities the value of Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).

## Instructions for completing Proxy Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
  - **(Individual):** Where the holding is in one name, the Shareholder must sign.
  - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
  - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
  - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
