

CASSINI
RESOURCES LIMITED

ASX Release (CZI)
07 August 2015

SOPHISTICATED INVESTOR REPORT ON CASSINI RESOURCES AND THE WEST MUSGRAVE PROJECT

Cassini Resources Limited (**ASX: CZI**) ("**Cassini**" or "**Company**") is pleased to announce the publication of a research report titled "Sky's the limit at Nebo Babel" by The Sophisticated Investor (TSI) – an Initiation Report about Cassini and the West Musgrave Project.

The report is accompanied by a series of short videos that are available to view by visiting the Company's website:

<http://www.cassiniresources.com.au/investor-relations/media>

The report and video's cover:

- Company Valuation Analysis
 - Valuation of Key Assumptions
 - Investment Analysis
 - Risk Assessment
- Operations
 - Site trip to Nebo Babel Project
 - Overview of the Succoth Prospect
- Review of Exploration and Development
- Key Management Interviews

Cassini commissioned TSI to produce the report in order to better inform and educate investors about the Company and the potential of the West Musgrave Project.
