- 8.6.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: On 29 August 2024, ERA announced a non-underwritten, pro-rata renounceable offer of new fully paid ERA ordinary shares, aiming to raise approximately \$880 million to fund the continued rehabilitation of the Ranger Project Area. ERA has secured a binding pre-commitment from Rio Tinto, which has agreed to subscribe for approximately \$760 million. Based on an updated offer timetable released on the 16 October 2024 the funds are expected to be available to the company by the end of November 2024.

- 8.6.3 Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: ERA expects to continue its operations and meet its business objectives. The company has sufficient cash on hand to cover expenses until funds from the entitlement offer are available. The entitlement offer is currently in progress and is expected to conclude in the coming weeks, providing sufficient cash to fund rehabilitation expenditures for the Ranger Project Area until approximately Quarter 3 2027.
