

## ASX Release

8 January 2018

# Kyckr signs global payments provider

## Highlights

- Kyckr signs global payments provider
- The term of the agreement is indefinite commencing on January 2018
- Kyckr integrated into the client's customer validation and verification on-boarding processes

**Kyckr Limited (ASX:KYK)** (Kyckr or the Company), a regulatory technology company, is pleased to announce it has signed an agreement to provide its KYC on-boarding services to a global payments provider.

The term of the agreement is indefinite, with a fixed subscription value of A\$150k per year, payable quarterly, with revenue commencing in January 2018. Kyckr will be working with our client to utilise other Kyckr services to further maximise revenue opportunities.

Kyckr's corporate customer validation and verification assists in improving KYC compliance related obligations.

Due to the critical services provided by Kyckr to our client for KYC on-boarding services, anonymity of the client name has been respected.

**Managing Director of Kyckr, David Cassidy** states: "We are delighted to be providing our solution to one of the leading global payments providers. Our services demonstrate the relevance of our capabilities in multiple sectors, helping improve customer on-boarding, bringing about operational efficiencies and improved KYC compliance."

**Ends.**

## About Kyckr Limited

Kyckr is a global regulatory technology (RegTech) business, providing data and technology solutions to accelerate customer acquisition and protect against money laundering, fraud and tax evasion. Kyckr's solutions are connected to over 180 regulated primary sources, in over 120 countries, providing real-time company registry information on over an estimated 80 million businesses globally. Kyckr provides automated technology solutions to improve the efficiency and effectiveness of Corporate KYC.
