Clarification to Update – Lithium Operations

Mineral Resources Limited (**ASX: MIN**, “**MRL**” or the “**Company**”) refers to its announcement earlier today.

The Company clarifies that the last bullet point on page 2 of that announcement should read:

“Both production and export of DSO at Wodgina is tracking in accordance with expectations and MRL will export at least 4.25Mt of DSO from Wodgina during FY 2017/18.”
