Voting Entitlement

As determined by the Chairman of the meeting, each resolution will be decided on a poll.

Explanatory Notes to Shareholders

Item 1 – Financial Statements and Results

The *Corporations Act 2001* (Cth) (“Corporations Act”) requires the financial report (which includes financial statements, notes to the financial statements and directors’ declaration), the directors’ report and the auditor’s report to be laid before the Annual General Meeting. The Constitution of Orica Limited (“Orica”) provides for these reports to be received and considered at the Meeting.

There is no requirement either in the Corporations Act or the Constitution for shareholders to approve the financial report, the directors’ report or the auditor’s report. Shareholders will, however, be given a reasonable opportunity to ask questions and make comments on these reports, and on the business, operations and management of Orica.

Item 2 – Election of Directors

The ASX Listing Rules require that an entity which has directors must hold an election of directors at each Annual General Meeting.

Under Rule 58.3 of the Company’s Constitution, where it is required that a director be submitted for election at the Annual General Meeting, if no director would otherwise be required by Rules 47 or 58.1 to submit for election or re-election, the director to retire at the Annual General Meeting is the director who has been longest in office since their last election or appointment. As between directors who were last elected or appointed on the same day, the one to retire must, unless they can agree among themselves, be decided by lot.

No Orica director is otherwise required to submit for election or re-election under Rules 47 or 58.1 of the Company’s Constitution, and it has been agreed between Mr Malcolm Broomhead and Mr Ian Cockerill, as the directors who have been longest in office since their last election or appointment, and who were both appointed on the same day, that Mr Broomhead is retiring and offering himself for re-election.

The Board has reviewed the performance of Mr Broomhead and the Nominations Committee has considered the skills, knowledge, experience and diversity represented on the Board as a whole.

The Board considers that Mr Broomhead, if re-elected, will be independent of executive management and free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgment to bear on issues before the Board and to act in the best interests of Orica and its shareholders generally.

Accordingly, the Board supports the re-election of Mr Broomhead.

The profile of the candidate is set out below.

Malcolm Broomhead BE, MBA

Malcolm Broomhead was appointed as an independent Non-executive Director of Orica Limited in December 2015 and Chairman as of 1 January 2016.

Mr Broomhead is a Director of BHP Billiton Ltd & Plc (2010 – present) and former Chairman of Asciano Limited.

Mr Broomhead's not-for-profit directorships include Director of the Walter & Eliza Hall Institute, Chairman of the Australia-China Belt & Road Advisory Board and Council Member of Opportunity International Australia.

Mr Broomhead is a highly experienced business leader with extensive experience in industrial and mining companies globally, including his leadership of Orica as its CEO from 2001 to 2005. Prior to this, he held a range of senior executive positions at North Limited, including Managing Director and Chief Executive Officer, Chief Financial Officer and Executive Director of Operations. He brings to the Board a deep understanding of both the mining and mining services sector, and an exceptional track record in creating shareholder value through every part of the resources cycle.

Mr Broomhead is regarded as one of Australia's most experienced Chairmen and Non-executive Directors, with extensive board experience in major public companies with global operations.

Mr Broomhead is seeking re-election for a further three year term.

The Board recommends the re-election of Mr Broomhead.

Item 3 – Remuneration Report

Shareholders will be given the opportunity to comment on and ask questions about the Remuneration Report which is included in Orica's Annual Report 2017.

The 2017 Remuneration Report highlights:

- a governance framework that underpins remuneration decision-making;
- the remuneration policy and structure adopted by the Board that encourages Orica's performance-based culture by making a significant proportion of total target remuneration 'at risk' against performance;
- the strong link between Orica's financial performance and the level of reward;
- the past and current performance conditions that must be met for executives to derive value from the 'at risk' components of their remuneration;
- changes to the executive remuneration framework for 2018; and
- the elements of remuneration of the Non-executive Directors, the Managing Director and those senior executives required to be disclosed for the 2017 financial year.

The vote on this item is advisory only and will not bind the Directors or Orica. However, the Board takes into account feedback from our shareholders in relation to our remuneration strategy, including the discussion and vote on this resolution, when considering the future remuneration arrangements of the Company.

The Board wishes to draw to the attention of shareholders that the result of the vote on this item may affect next year's Annual General Meeting. Notwithstanding that this resolution only requires a 50% majority of those voting to be passed, if 25% or more of the votes cast on this resolution are "against", and if this is repeated at the next meeting, then a resolution to spill the board will be put to shareholders as required by the Corporations Act. This is known generally as the "two strikes rule".

The Board recommends that shareholders vote in favour of this non-binding ordinary resolution.

Item 4 – Grant of performance rights to the Managing Director under the Long Term Incentive Plan (“LTIP”)

Under ASX Listing Rule 10.14, shareholder approval is required in order for a director to be issued securities under an employee incentive scheme. Accordingly, shareholders are asked to approve the grant of performance rights (Rights) to the Managing Director under the FY2018 LTIP offer.

The Board believes that it is in shareholders’ interests to provide the Managing Director with an equity-based long-term incentive to ensure there is alignment between satisfactory returns for shareholders and the rewards for the Managing Director by linking an appropriate part of the executive’s reward to the generation of long term returns for shareholders.

The long-term incentive is a key element in the Executive Remuneration Framework offered to the Managing Director. This Remuneration Framework is designed to attract, motivate, reward and retain executives through a remuneration approach that is globally relevant, competitive, aligns with shareholder interests and has a high perceived value.

The long-term incentive component of remuneration will take the form of an annual grant of Rights under the LTIP. Each annual grant is subject to shareholder approval.

For FY2018, the LTIP will have one metric, Return on Net Assets (RONA), measured on a three year average basis. The Board considers this metric is most closely aligned to the objectives of sustainable productivity improvement and efficient capital allocation, which in turn enable long-term shareholder value creation. In addition, an additional 2-year holding lock will be introduced on vested incentives under the plan to strengthen alignment with shareholders.

Further details of Dr Calderon’s remuneration package are set out in the Remuneration Report which is included in the Annual Report.

Date of grant

If shareholder approval is obtained, it is expected that the Rights will be granted shortly after the meeting (and, in any event, will be granted within 12 months).

Number of Rights

The face value of Dr Calderon’s annual long term incentive participation is determined by reference to a percentage (215%) of his fixed annual remuneration (FAR). Dr Calderon’s current FAR is \$1,800,000.

The actual number of Rights to be allocated will be determined by dividing Dr Calderon’s long term incentive participation value by the volume weighted average price (VWAP) of Orica shares during the 5 trading days following the full year results announcement rounded down to the nearest whole number of Rights.

By way of an example, if the VWAP of the Company’s ordinary shares over this period is \$20, then Dr Calderon would be granted 193,500 Rights.

Performance conditions (for vesting of Rights)

The Rights are subject to a RONA performance hurdle.

RONA

Rights granted are subject to a hurdle based on average RONA performance.

Annual RONA is defined as Annual EBIT / Rolling 12 month Net Operating Assets

Where:

Annual EBIT = Earnings from Continuing Operations before interest, tax and individually material items.

Rolling 12 month Net Operating Assets = Net property plant and equipment, Intangibles, Investments (non-current) in associates, trade working capital, non-trade working capital and environment provisions (added back).

In order to determine average RONA for the performance period, Annual RONA is calculated for each of the years of the performance period, and then averaged.

The average RONA will be rounded to one decimal place with vesting according to the schedule below:

RONA performance (3 year average)	Percentage of Rights vesting subject to RONA
Below 13.6%	Nil
At 13.6%	30% of rights vest
Between 13.6% and 14.0%	Straight line vesting between 30% and 60%
At 14.0%	60% of rights vest
Between 14.0% and 14.7%	Straight line vesting between 60% and 100% of rights vest
At or above 14.7%	100% of rights vest

For example, average RONA of 13.8% will result in 45% of Rights vesting. Average RONA of 14.2% will result in 71.4% of Rights vesting. No Rights will vest should average RONA not equal or exceed 13.6% over the three year performance period.

The return range of 13.6% – 14.7% has been chosen as it reflects the Board’s expectations for returns through the current industry / market cycle, Orica’s corporate plan and transformation program and long-term growth expectations.

The Board has retained discretion to adjust RONA in exceptional circumstances for individually material items that may otherwise distort the average RONA outcome.

Performance period and vesting	<p>The Rights are subject to a three year performance period commencing from the start of FY2018 (i.e. 1 October 2017). Any Rights which do not vest following testing of the performance condition at the end of the performance period (expected to occur following the announcement of full-year financial results for FY2020) will lapse.</p>
Allocation of Shares	<p>Following testing of the applicable performance condition and determination of the vesting level of the Rights, one fully-paid ordinary share in Orica will be allocated for each Right which vests. In accordance with the terms of the LTIP, the Board also has discretion to settled vested Rights in cash.</p>
Trading Restrictions	<p>Shares allocated on the vesting of Rights will be subject to a restriction on trading for a two year period (from 1 October 2020 to 30 September 2022) during which time the Managing Director will be restricted from dealing in those shares.</p> <p>At the end of the restriction period, trading restrictions will cease to apply and the Managing Director will be able to sell, or otherwise deal with those shares, subject to complying with Orica's Securities Dealing Policy.</p> <p>We note that in certain exceptional circumstances, the Board may determine that applicable trading restrictions will cease to apply to all, or a portion of, the Managing Director's shares prior to the end of the restriction period.</p>
Cessation of employment	<p>Cessation during the performance period</p> <p>If the Managing Director resigns from the Group or is terminated for cause prior to Rights vesting, in general, his Rights lapse and he will have no further interest in the Rights.</p> <p>Unless the Board determines otherwise, if employment ceases in other circumstances (e.g. retirement, mutual separation, ill-health etc.), the Managing Director would retain the Rights on a pro-rata basis with the performance condition being tested at the end of the performance period to determine the number of Rights which may vest at this time (if any).</p> <p>Shares allocated on the vesting of Rights will be subject to a restriction on trading for a two year period (from 1 October 2020 to 30 September 2022) during which time the Managing Director will be restricted from dealing in those shares.</p> <p>Cessation during restriction period</p> <p>If the Managing Director ceases employment prior to the end of the restriction period, any shares held will continue to be subject to a restriction on trading for a two year period (from 1 October 2020 to 30 September 2022) during which time the Managing Director will be restricted from dealing in those shares.</p>

Price payable for the Rights	No amount will be payable by the participant in respect of the grant, or for the shares allocated on the vesting of the Rights.
Application of Malus Standard	<p>The terms of the LTIP contain the ability for the Board to apply Orica's 'Malus Standard'. This Standard provides the Board with the ability to reduce or deny granted but unvested awards in the case of:</p> <ul style="list-style-type: none"> (a) a material misstatement in financial results; (b) behaviour that brings Orica into disrepute or has the potential to do so; (c) serious misconduct by any participant; or (d) any other circumstance, which the Board has determined in good faith.
Other required information – ASX Listing Rules	<p>The Managing Director is the only current Director of Orica entitled to participate in the LTIP.</p> <p>There is no loan scheme in relation to the grant of Rights under the LTIP.</p> <p>In accordance with the approval received from shareholders at the 2016 Annual General Meeting, on 30 December 2016 the Company allocated 192,742 performance rights to the Managing Director, Dr Calderon, at an acquisition price of \$16.81 per share.</p>

The Board, other than the Managing Director, who has an interest in resolution 4, recommends that shareholders vote in favour of this resolution.
