Dear Sir/Madam,

RHT: Extension of Entitlement Issue

Resonance Health Limited (the "Company") announced on the 28th July 2006 that it had received an interim stop order from the Australian Securities and Investments Commission (ASIC) pursuant to Subsection 739(3) of the Corporations Act 2001 in relation to its 3 for 4 entitlements issue prospectus dated 7th July 2006.

The Directors are keen to provide shareholders with the opportunity to participate in this issue and believe they will be able to do so when the Company provides a supplementary prospectus to address ASIC's concerns. As a result, Resonance Health is extending the entitlement issue to 15th August 2006. This will allow shareholders to have reasonable time to fully assimilate the additional information and accordingly make an investment decision.

Following is an amended timetable to the entitlement issue:

Closing date of entitlement issue	Tuesday, 15th August 2006
New Shares quoted on a deferred basis	Wednesday, 16 th August 2006
Notification to ASX of under/over subscription	Friday, 18 th August 2006
Issue of New Shares and despatch of shareholding statements	Wednesday, 23 rd August 2006

Yours faithfully
