Appointment of General Manager Operations

Red River Resources Ltd (Red River or the Company) is pleased to announce the appointment of Karl Spaleck as the Company's new General Manager Operations.

Karl has over 20 years experience in the mining and metallurgical industry and his most recent role was at Newcrest's Lihir Gold Operations in Papua New Guinea where he was General Manager for the past 2 and a half years.

Prior to this, he spent six years at MMG's Century zinc mine in Queensland, the global #3 zinc mine, where he held a range of senior positions including Concentrate Manager Operations, Deputy General Manager and culminating in 2 years as site General Manager.

Red River's Managing Director, Donald Garner welcomed the appointment and said, "We are delighted that Karl is joining Red River. Karl brings exceptional technical strength to the senior management team of Red River and he has a proven track record in base metal project management, development and operation at the highest levels."
