

Red River Strengthens Management Team

Red River Resources Limited (ASX: RVR) ("Red River" or the "Company") is pleased to announce the appointment of Mr Rod Lovelady as Chief Financial Officer of the Company effective 22 January 2018.

Mr Lovelady brings over 25 years of operational experience working in management, finance and commercial roles within ASX listed and unlisted mining and energy companies, having previously worked with Mount Isa Mines Limited, Pasminco Limited, Zinifex Limited, OZ Minerals Limited, MMG Limited, Newcrest Mining Limited, Sydvaranger Gruve AS (Norway), Moreton Resources Limited and most recently AGL Energy Limited.

Mr Lovelady replaces Mr Cameron Bodley who has been a key member of the team that successfully brought Thalanga back into production. Mr Bodley remains as Company Secretary.

Managing Director Mel Palancian said "On behalf of the Board, I would like to thank Cameron for his hard work and dedication over the past 4 years and look forward to his continuing contribution and I welcome Rod to the Company. Rod's mining experience will be a valuable addition to the Red River management team and will support the continued growth and development of the Company".

About Red River Resources (ASX: RVR)

RVR is the leading ASX pure play zinc producer, with its key asset being the high quality Thalanga Zinc Project in Central Queensland. RVR commenced concentrate production at the Thalanga Zinc Project in September 2017 and RVR is focused on maximising returns from the Project by increasing plant throughput and extending mine life through increasing Mineral Resources and Ore Reserves at deposits currently in the mine plan (West 45, Thalanga Far West and Waterloo), by potentially converting Mineral Resources into Ore Reserves at Liontown and Orient and by continuing to aggressively explore our growing pipeline of high quality targets within the surrounding area.

On behalf of the Board,

Mel Palancian
Managing Director
Red River Resources Limited
