Annexure A – Performance Rights Plan Summary

The objective of the Plan is to provide an incentive to key employees of RVR to drive continuing improvement in RVR's performance and to provide those employees with the opportunity to acquire an ownership interest in RVR.

1. Eligibility

The Board may issue Performance Rights to any director, senior executive, or other employee (full or part time). The Board must have regard to the Employee's contribution to the business, the length of the period of employment of the Employee, the Employee's potential contribution to the business, and any other matters the Board considers relevant. Performance Rights may be held by the Employee directly, or by any entity nominated by the Employee.

2. Performance Conditions

The Board may make vesting of Performance Rights conditional upon Performance Conditions, and the Board may also waive any existing Performance Conditions if they see fit, subject to the Listing Rules and the law.

3. Maximum Number of Performance Rights

The Board will ensure that the number of Performance Rights offered to Employees over a 3-year period does not exceed 5% of the Company's issued Shares, unless that issue does not require disclosure in reliance on another exception to the Corporations Act or is made pursuant to a prospectus.

4. Entitlement

Each Performance Right entitles the holder to one fully-paid Ordinary Share, which shall rank equally with all other fully paid shares on and from the date of issue.

5. Vesting

A Performance Right vests when the Board determines that the applicable Performance Conditions have been wholly or partially satisfied, or are waived.

6. Exercise

Performance Rights are exercised automatically upon vesting and the Company must issue the corresponding Shares within 30 days.

7. Lapse

Performance Rights will lapse upon any of the following events:

- 7.1 the Expiry Date is reached and the Performance Conditions are not satisfied;
- 7.2 the Performance Rights are transferred or an attempt is made to transfer them to another entity, without the approval of the Board;
- 7.3 an Employee voluntarily resigns;
- 7.4 an Employee's employment is terminated because of death, total and permanent disability, bona fide redundancy, or any other matter approved by the Board, unless the Board deems some or all of the unvested Performance Rights to vest;
- 7.5 the Employee's employment is terminated because of fraud, dishonesty, breach of obligations, or otherwise for cause; and
- 7.6 a date is reached which is six months after an event described in paragraph 8 below.

8. Change of control and reconstruction

Notwithstanding the other conditions, the Board may declare that some or all unvested Performance Rights vest if any of the following circumstances arise:

- 8.1 a Change of Control event has occurred, or is likely to occur, and the Board considers that the Employee's pro-rata performance is satisfactory, which includes:
 - (a) an offeror acquiring voting power of greater than 50% in the Company where, prior to a takeover bid, they held less than 50%;
 - (b) shareholders approve a compromise or arrangement pursuant to section 411 of the Corporations Act; or
 - (c) there is a selective capital reduction approved by Shareholders that results in a shareholder acquiring voting power of greater than 50% in the Company where they previously held less than 50%;
- 8.2 any person or corporation has a Relevant Interest in more than 90% of the Shares, and the Board considers that the Employee's pro-rata performance is satisfactory;
- 8.3 the Company is wound up, voluntarily or by order, or the Company otherwise disposes of its main undertaking; or
- 8.4 if there is any internal reconstruction, reorganisation, or acquisition of the Company which is not any of the above events.

9. Transfer

Performance Rights may only be transferred with the consent of the Board, except where required by the law because of death or bankruptcy. Shares granted from Performance Rights may only be transferred with the consent of the Board if there is a period of restraint attached to their issue, until that period of restraint has expired.

2018 Performance Right Conditions

The Rights are subject to the following four Performance Conditions:

1. RVR's comparative share price performance;
2. growth in Mineral Resources;
3. growth in Ore Reserves; and
4. Continued employment with RVR or an Associated Body Corporate (as defined in the Rules) of RVR on the Vesting Date (the **Service Condition**).

Other than in respect of the Service Condition, the Performance Conditions operate independently in so far as satisfaction of each Performance Condition will give rise to a pre-determined proportion of the overall number of Rights becoming eligible for vesting. The Service Condition is in addition to the other Performance Conditions and must be satisfied in order for any Rights to vest.

Any Rights that have become eligible for vesting shall automatically vest on the Vesting Date if the Service Condition is met.

Any Rights that become ineligible for vesting, or do not vest, because of a failure to satisfy one or more Performance Conditions shall lapse on the earlier of the date that RVR determines that the Performance Conditions for those Rights have not been met and the Expiry Date.

Total Shareholder Return – 50% of the Rights capable of vesting

50% of the Rights shall be subject to a comparative Share price performance condition, as compared to the Comparator Group of Companies*.

The Company's share price performance for each of the three financial years commencing 1 July 2017 to 30 June 2018 (each a Performance Period), will be compared to Comparator Group of Companies movement for the same 12 month period, with 1/3 of the Rights for this Performance Condition being allocated to each Performance Period (i.e. 30 June 2017 to 30 June 2018, 30 June 2018 to 30 June 2019 and 30 June 2019 to 30 June 2020).

The percentage of Rights that will become eligible for vesting (subject to satisfaction of the Service Condition) for each Performance Period will be determined by the comparative share price performance as set out in the table below.

RVR ranking versus Comparator Group of Companies	% of Maximum Award
Below the 50 th percentile	0% vest

Between the 50 th and 75 th percentile	50% - 100% vest (on a pro-rata basis)

In addition to the level of performance set out in the above table, the Board reserves its right to deem the share price performance condition as being met, in the event that the Company's share price at 30 June in a particular year is below the company's share price on 1 July of the preceding year.

Grow Resources at Thalanga – 25% of the Rights capable of vesting

25% of the Rights shall be subject to the growth of RVR's aggregate Mineral Resources (as reported to the ASX) during a Performance Period of 30 June 2017 and 30 June 2020 (aggregated on a gross zinc equivalent basis inclusive of Inferred, Indicated and Measured Mineral Resources).

The percentage of Rights that will become eligible for vesting (subject to the satisfaction of the Service Condition) associated with each percentage increase in Mineral Resources is set out in the table below.

The percentage of Rights that will become eligible for vesting (subject to the satisfaction of the Service Condition) associated with each percentage increase in Ore Reserves is set out in the table below.

Service Condition

The Service Condition requires that recipients must be employed by RVR or an Associated Body Corporate (as defined in the Rules) of RVR on the date of the grant and remain employed on the Vesting Date in order for any Rights to vest on the Vesting Date. If recipients employment ceases prior to the Vesting Date Rights issued pursuant to the 2018 Performance Rights offer shall lapse, unless the Board determines otherwise in accordance with the Rules.
