

Update on COVID-19

Red River Resources Limited (ASX: RVR) provides the following update on the status of its Thalanga Operation in Northern Queensland and Hillgrove Gold Project in NSW.

Mining and processing activities continue at Red River's Thalanga Operation in Northern QLD and restart activities are progressing forwards at Red River's Hillgrove Gold Project in NSW.

Thalanga and Hillgrove are residential operations and Red River is striving to ensure our workforce and the communities in which we operate are not impacted.

Red River has implemented preventative measures to reduce risk to its people and operations at all sites including increased hygiene practices, restrictions on non-essential travel, social distancing, limiting visitors to sites and remote working where possible.
