a. Proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a

representative (a proxy) to vote in their place. All Shareholders are invited and encouraged to participate in the Meeting via virtual means, and are encouraged to lodge a directed Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting via virtual means.

Please note that:

- (a) a member of the Company entitled to attend via virtual means and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

Shareholders and their proxies should be aware that:

- (a) If proxy holders vote, they must cast all directed proxies as they are directed to; and
- (b) Any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- (b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- (c) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Explanatory Memorandum

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- (b) the appointed proxy is not the Chair of the meeting; and
- (c) at the meeting, a poll is duly demanded on the resolution; and
- (d) either of the following applies:
- (e) the proxy is not recorded as attending the meeting;
- (f) the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy

Resolutions 2, 3 and 4. This express authorisation acknowledged that the Chair of the Meeting may vote your proxy even though:

- (1) Resolution 2, 3 and 4 are connected directly or indirectly with the remuneration of a member of the KMP; or

Explanatory Memorandum

This Explanatory Memorandum contains an explanation of, and information about, the Resolutions to be considered at the Annual General Meeting. Shareholders should read this Explanatory Memorandum in full. This Explanatory Memorandum forms part of the accompanying Notice of Meeting and should be read with the Notice of Meeting.

This Explanatory Memorandum does not take into account the individual investment objectives, financial situation and needs of individual Shareholders or any other person. If you are in any doubt about what to do in relation to the Resolutions, you should consult your financial or other professional adviser.

Capitalised words used in the Notice of Meeting and in this Explanatory Memorandum are defined in the Glossary section at the end of this Explanatory Memorandum.

Annual Report

Section 317 of the Corporations Act requires that the business of an Annual General Meeting (**AGM**) include the receipt and consideration of the financial statements and reports the Company is required to prepare by law for the previous financial year. Those statements and reports are found in the Company's 2020 Annual Report, which is available for Shareholders and can be downloaded from the Company's website www.redriverresources.com.au. If you would like to receive a hard copy of the annual report, free of charge, you can contact the Company's Share registry on 1300 850 505.

There is no requirement for Shareholders to approve these statements or reports. During this item of business, the Chair of the Meeting will provide Shareholders with a reasonable opportunity to ask questions and make comments on these financial statements and reports. RSM Australia conducted the audit of the Company for the last financial year and has been invited to attend the Meeting and the Company has been advised that a suitably qualified member of the audit team of RSM Australia, will attend the Meeting.

Shareholders, as a whole, will also be provided a reasonable opportunity at the Meeting to ask the auditor's representative questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

Shareholders who are entitled to vote at the Meeting may also submit written questions to the auditor that are relevant to the content of the auditor's report to be considered at the Meeting or the conduct of the audit of the annual financial report to be considered at the Meeting. Written questions may be submitted by giving them to the Company's Company Secretary. Questions must be submitted no later than the fifth Business Day before the Meeting is held.

Resolutions 1 – Re-election of Mr. Donald Garner

Clause 11.3 of the Company's constitution provides that at each AGM, one-third of the Company's directors must retire. Directors who retire from office in this manner are eligible for re-election.

Mr. Garner has served as a director of the Company since his election on 31 March 2014 and retires at the end of the Meeting, and has offered himself for re-election.

A description of Mr. Garner's experience, qualifications and competencies is as follows:

Mr Garner is a qualified geologist (BSc (Hons)) with over fifteen years' experience in the resource industry, corporate finance and corporate development roles.

Mr Garner has a strong track record in the identification and acquisition of resource projects, recently being responsible for New Age Exploration's (ASX: NAE) Lochinvar coking coal project and Sirius Minerals Plc (LSE: SXX) York Potash project.

He previously worked in a corporate development role at Zinifex, and prior to that worked in metals and mining corporate finance in the United Kingdom.

Explanatory Memorandum

Mr Garner worked as a geologist in Western Australia in a number of roles, both as an exploration geologist and a mine geologist and also worked as an exploration geologist in Myanmar.

The Directors, other than Mr. Garner, recommend that you vote in favour of Resolution 1.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 1.

Resolution 2 - Adoption of Remuneration Report

The Chair of the Meeting will provide Shareholders with a reasonable opportunity to ask questions about, or make comments on, the Company's Remuneration Report for the financial year ending 30 June 2020. The Remuneration Report is included in the Company's 2020 Annual Report and appears on pages 27 to 37 of that report.

The Remuneration Report sets out the Company's remuneration arrangements for its Non-executive Directors, executive director and senior executives.

The Corporations Act requires that a resolution, that the Remuneration Report be adopted, be put to the vote at the Company's Annual General Meeting. The vote on Resolution 2 is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of Resolution 2 into consideration when reviewing the remuneration practices and policies of the Company.

Shareholders should note that, in accordance with the "two strikes rules" of the Corporations Act, the outcome of voting on Resolution 2 may also affect next year's Annual General Meeting.

Specifically, if 25% or more of the votes cast on Resolution 2 are cast "against", a "spill resolution" will be included in the 2021 notice of annual general meeting as required by the Corporations Act, being a resolution that a general meeting of Shareholders be called to consider the election of Directors.

This means that if:

- (a) 25% or more of the votes cast on Resolution 2 are cast "against"; **AND**
- (b) 25% or more of the votes cast in respect of the adoption of the Remuneration Report at the 2021 Annual General Meeting are cast "against",

then a resolution will be put to Shareholders at the 2021 Annual General Meeting (the "**spill resolution**") that the Company convene a further meeting of Shareholders (within 90 days), at the end of which meeting the existing Directors (other than the managing director) will cease to hold office.

More than 86% of the votes cast on the Company's Remuneration Report for the 2019 financial year were cast in favour of the relevant resolution.

The Directors recommend that Shareholders vote in favour of Resolution 2.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 2.

Resolutions 3 and 4 - Issue of Performance Rights to Mr. Palancian and Mr. Garner

Resolutions 3 and 4 seek Shareholder approval for the Company to issue Performance Rights, in accordance with the terms of the Company's Performance Rights Plan, to Mr. Mel Palancian and Mr. Donald Garner, the Company's Managing Director and Executive Director.

Listing Rule 10.14 provides that a director may not acquire securities under an employee incentive scheme without the prior approval of shareholders.

Explanatory Memorandum

Accordingly, Resolutions 3 and 4 seek Shareholder approval for the Company to issue Performance Rights to Mr. Palancian and Mr. Garner, respectively, in accordance with the Company's Performance Rights Plan.

Additional Disclosure

To assist Shareholders in considering the proposed Resolutions, the Company also provides the following additional information in respect of Resolutions 3 and 4:

	Resolution 3	Resolution 4
Proposed allottee	Mr. Mel Palancian	Mr. Donald Garner
Maximum number of securities to be issued	1,814,023 Performance Rights	1,033,211 Performance Rights
Use of funds	No funds will be raised through the issue of Performance Rights.	
Explanation of why Performance Rights are being used	<p>The Directors consider that the Performance Rights provide a cost-effective and efficient incentive that aligns with the interests of Shareholders, as opposed to alternative forms of incentives (e.g. cash bonuses, increased remuneration).</p> <p>However, it must be recognised that there will be an opportunity cost to the Company, being the price at which the Company could issue Equity Securities to a third party.</p> <p>The opportunity costs and benefits foregone by the Company by issuing the Performance Rights to Mr. Palancian and Mr. Garner is the potentially dilutionary impact on the issued share capital of the Company (in the event that the Performance Rights vest/ are exercised). Until exercised, the issue of the Performance Rights will not impact upon the number of ordinary shares on issue in the Company. To the extent that upon their exercise the dilutionary impact caused with the issue of Shares will be detrimental to the Company, this is more than offset by the advantages accruing from the Company securing the services of experienced and skilled Directors on appropriate incentive terms.</p> <p>It is also considered that the conditions attached to the Performance Rights, which will determine whether how many (and if at all) the Performance Rights vest/ exercise, is dependent upon a concomitant increase in the value of the Company generally.</p>	
Why the number of Performance Rights was Chosen	<p>The number of Performance Rights was determined by the Company's Directors (other than Mr. Palancian and Mr. Garner), on the recommendation of the Company's Remuneration Committee, for the purpose of providing a cost effective means of incentivising Mr. Palancian and Mr. Garner to increase Shareholder value through the development and growth of the Thalanga and Hillgrove Mines and the Company's other projects.</p> <p>The Directors (other than Mr. Palancian and Mr. Garner), determined that by offering Mr. Palancian and Mr. Garner the Performance Rights, together with their</p>

	remuneration package, this would assist the Company in securing the services of Mr. Palancian and Mr. Garner.	
Directors' interest in the outcome	Other than the interests that each of Mr. Palancian and Mr. Garner have in receiving Performance Rights pursuant to Resolutions 3 and 4, respectively, no Director has any interest in the outcome of Resolutions 3 and 4.	
Valuation of the Performance Rights	<p>The Performance Rights are not currently quoted on the ASX and as such have no market value. The Performance Rights each grant the holder thereof a right to receive one Share upon exercise of the Performance Right. Accordingly, the Performance Rights may have a present value at the date of their grant.</p> <p>As a general proposition, performance rights to acquire ordinary fully paid shares in a company have value. Various factors impact upon the value of Performance Rights including things such as:</p> <ol style="list-style-type: none"> 1. the period outstanding before the expiry date of the Performance Right; 2. the exercise price of the Performance Rights relative to the underlying price or value of the securities into which they may be converted; 3. the proportion of the issued capital as expanded consequent upon exercise represented by the shares issued upon exercise (ie whether or not the shares that might be acquired upon exercise of the Performance Rights represent a controlling or other significant interest); 4. the value of the Shares into which the Performance Rights may be converted; and 5. whether or not the Performance Rights are listed (i.e. readily capable of being liquidated). <p>There are various formulae which can be applied to determining the theoretical value of Performance Rights (including the formula known as the Binomial Model valuation formula).</p> <p>The Company has applied the Binomial Model, which is one of the most widely used and recognised models for pricing Performance Rights. The value of a Performance Right calculated by the Binomial Model is a function of the relationship between a number of variables, being the share price, the exercise price, the time to expiry, the risk free interest rate and the volatility of the company's underlying share price.</p> <p>Inherent in the application of the Binomial Model are a number of inputs, some of which must be assumed. The data relied upon in applying the Binomial Model was:</p> <ol style="list-style-type: none"> 1. the exercise price of the Performance Rights, being \$0.00 cents; 2. an assumed Share price at the date the Performance Rights are granted of \$0.16 cents, being the Share price as at the date of valuation on 8 October 2020); 3. an expiry date of 31 October 2023 (3 years); 4. a volatility measure of 81%; 5. a risk-free interest rate of 0.149%; and 6. a dividend yield of nil. <p>Based on this information, the Company has adopted an indicative value for each Performance Right of 15.83 cents for Expiry 31 October 2023. Summary of Material Terms of Performance Rights – 2021 Grant Conditions

The Performance Rights will automatically convert to Shares on 31 October 2023 (**Vesting Date**), subject to satisfaction of the four performance conditions summarised below (**Performance Conditions**).

Specifically, one third of the Performance Rights that count towards the Total Shareholder Return element of the Plan to be issued to each of Mr. Garner and Mr. Palancian have been allocated to each of the financial years ending 30 June 2021, 30 June 2022 and 30 June 2023 (**Performance Period**) and will be tested against the Performance Conditions following the end of the relevant Performance Period. The remaining Performance Rights will be allocated equally against the Resources and Reserves Performance Conditions and are tested at the end of the 30 June 2023 Performance Period to determine the number of Performance Rights that will be eligible to vest, subject to Mr. Garner and Mr. Palancian (as applicable) remaining employed by the Company or an Associated Body Corporate on the Vesting Date (the **Service Condition**).

Other than in respect of the Service Condition, the Performance Conditions operate independently in so far as satisfaction of each Performance Condition will give rise to a pre-determined proportion of the overall number of Rights becoming eligible for vesting – subject to satisfaction of the Service Condition.

Any Rights that become ineligible for vesting, or do not vest, because of a failure to satisfy one or more Performance Conditions shall lapse.

The Performance Conditions are as follows:

(a) **Share Price Performance Condition**

50% of the Performance Rights are subject to a comparative Share price Performance Condition. For this Performance Condition, the percentage of Performance Rights that will become eligible for vesting will be determined by comparing the Company's Share price performance against the share price performance of a Comparator Group of Companies* during each of the Performance Periods, as follows:

RVR ranking versus Comparator Group of Companies	% of Maximum Award

Explanatory Memorandum

Below the 50th percentile	0% eligible for vesting
Between the 50th and 75th percentile	50% - 100% eligible for vesting (on a pro-rata basis)
At or above the 75th percentile	100% eligible for vesting

Aeris Resources (AIS)	Myanmar Metals (MYL)
Ironbark Zinc (IBG)	Consolidated Zinc (CZL)
PNX Metals (PNX)	New Century Resources (NCZ)

The Board will, however, retain the discretion to deem the Share price Performance Condition as being met in the event that the Company's share price at 30 June in a particular year is below the Company's Share price on 1 July of the preceding year.

(b) *Grow Resources – 25% of the Rights capable of vesting*

25% of the Performance Rights shall be subject to the growth of RVR's aggregate Mineral Resources (as reported to the ASX in accordance with the JORC Code) during a Performance Period (aggregated on a zinc equivalent gross basis inclusive of Inferred, Indicated and Measured Mineral Resources), which increase shall be independently verified.

The percentage of Performance Rights that will become eligible for vesting (subject to the satisfaction of the Service Condition) associated with each percentage increase in Mineral Resources as follows:

Increase Resources by >25%	100% eligible for vesting
Increase Resources by >0%<25%	0% - 100% eligible for vesting (on a pro-rata basis)
Increase Resources by 0% or a decrease in Resources	0% eligible for vesting

(c) *Grow Reserves – 25% of the Rights capable of vesting*

25% of the Performance Rights shall be subject to the growth of the Company's aggregate Ore Reserves (as reported to the ASX in accordance with the JORC Code) during a Performance Period, which increase shall be independently verified.

The percentage of Performance Rights that will become eligible for vesting (subject to the satisfaction of the Service Condition) associated with each percentage increase in Ore Reserves is set out in the table below.

Explanatory Memorandum

Reserve increase	% of Maximum Award
Increase Reserves by >25%	100% vest
Increase Reserves by >0%<25%	0% - 100% vest (on a pro-rata basis)
Increase Reserves by 0%	0% vest

(d) Service Condition

As noted above, all of the Performance Rights are subject to the Service Condition. This Performance Condition requires that the recipient of Performance Rights be employed by the Company or an Associated Body Corporate on the Vesting Date in order for any Performance Rights to vest.

If a recipient's employment ceases prior to the Vesting Date, Performance Rights shall automatically lapse, unless the Board determines otherwise in accordance with the rules of the Performance Rights Plan.

A summary of the material terms of the Performance Rights Plan is set out in Annexure A of this Explanatory Memorandum.

As it is proposed that Mr. Palancian and Mr. Garner will receive Performance Rights pursuant to the Performance Rights Plan (subject to the passing of Resolutions 3 and 4), Mr. Palancian and Mr. Garner do not make any voting recommendation to Shareholders as to how to vote on Resolutions 3 and 4, respectively.

The Directors, other Mr. Palancian (in respect of Resolution 3) and Mr. Garner (in respect of Resolution 4), recommend that Shareholders vote in favour of Resolutions 3 and 4.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolutions 3 and 4.

Resolution 5 – Additional Placement Capacity

Listing Rule 7.1 requires Shareholder approval for an issue of Equity Securities in the Company if that issue, when aggregated with all other issues during the previous 12 months, exceeds 15% of the number of Equity Securities on issue at the commencement of that 12-month period.

In accordance with Listing Rule 7.1A, eligible entities may seek Shareholder approval at their AGM to issue a further 10% of their issued share capital in addition to the 15% capacity set out in ASX Listing Rule 7.1 (**10% Share Placement Capacity**).

An eligible entity for the purpose of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. At the date of this Notice, the Company is an eligible entity.

Any issue of securities under ASX Listing Rule 7.1A:

- (a) must be in the same class as an existing quoted class of the Company's Equity Securities;
- (b) issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (1) the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or

Explanatory Memorandum

- (2) if the securities are not issued within 10 Trading Days of the date in paragraph (1) immediately above, the date on which the securities are issued; and

(c) must be calculated in accordance with the formula prescribed by ASX Listing Rule 7.1A.2.

Resolution 5 seeks Shareholder approval for the Company to have the ability to issue Equity Securities in accordance with the 10% Share Placement Capacity. The approval of Resolution 5 will provide the Company with even greater flexibility to issue Equity Securities in addition to the 15% capacity set out in ASX Listing Rule 7.1 without a further requirement to obtain prior Shareholder approval.

If Resolution 5 is passed, the Directors will be able to issue Equity Securities in the Company for up to 10% of the Company's fully paid ordinary securities on issue during the period up to 12 months after the Meeting, calculated in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 5 is not passed, the Directors will be unable to issue Equity Securities pursuant to the Company's 10% Share Placement Capacity and the Company will be unable to raise funds using the Company's 10% Share Placement Capacity.

Resolution 5 is a Special Resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed. Pursuant to Listing Rule 7.1A, no Equity Securities will be issued until and unless this Special Resolution is passed at the Meeting.

1. The issue price of \$0.16 is based on the closing price of Shares on 8 October 2020;
2. The current issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A.2;
3. The Company issues the maximum number of securities available under the 10% Share Placement Capacity;
4. No options are exercised prior to the date of issue of any shares under the 10% Share Placement Capacity;

Explanatory Memorandum

5. The table shows the effect of issues of the Company's Equity Securities under the 10% Share Placement Capacity, not under the Company's 15% placement capacity under Listing Rule 7.1; and
6. The table does not show an example of dilution that may occur to any particular Shareholder due to any placements under the 10% Share Placement Capacity.

Potential risk of economic and voting dilution

If Resolution 5 is approved by Shareholders and securities are issued in accordance with the 10% Share Placement Capacity, the interests of existing Shareholders who do not participate in the issue will be diluted.

Shareholders should note that in such circumstances, as with any time in the market, there is a risk that:

- (a) the market price for Equity Securities issued under the 10% Share Placement Capacity may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

Timing of potential issues

If Shareholders approve Resolution 5, securities may be issued under the 10% Share Placement Capacity during the period commencing on the date of the Meeting and ending on the first to occur of the following:

- (a) the date that is 12 months after the date of the Meeting;
- (b) the time and date of the Company's next annual general meeting; and
- (c) the time and date of Shareholder approval for any transaction under Listing Rules 11.1.2 (significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

The approval under Listing Rules 7.1A will cease to be valid in the event that Shareholders approve a transaction under Listing Rules 11.1.2 or 11.2.

Purpose of funds raised by potential issue

Shares may be issued under the 10% Share Placement Capacity for cash consideration. If this occurs, the Company intends to use the funds raised to continue exploration and development of the Company's current assets, to cover general working capital requirements and/or, if appropriate, acquire new assets or investments.

The Company will comply with its disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon any issue of Equity Securities under the 10% Share Placement Capacity.

Allocation policy under the 10% Share Placement Capacity

The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue under the 10% Share Placement Capacity.

Potential allottees of securities under the 10% Share Placement Capacity will be determined on a case-by-case basis, having regard to factors which may include:

- (a) the methods of raising funds which are available to the Company, including the time and market exposure associated with the various methods of raising capital applicable at the time of the raising;

Explanatory Memorandum

- (b) the effect of any such issue on the control of the Company;
- (c) the financial situation of the Company; and
- (d) advice from corporate, financial and broking advisers.

As at the date of this Notice of Meeting, no allottees for a placement under the 10% Share Placement Capacity have been determined. They may, however, include, as well as any existing Shareholders, substantial Shareholders and/or new Shareholders who are not Related Parties or Associates of a Related Party of the Company.

Prior shareholder approval

The Company sought and received Shareholder approval under Listing Rule 7.1A at the last AGM held on 6 November 2019, however, no issues (or agreements to issue) occurred pursuant to Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

As at the date of this Notice of Meeting, the Company does not have any intention to issue any Equity Securities under Listing Rule 7.1A.

The Directors recommend that Shareholders vote in favour of Resolution 5.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 5.

Any inquiries in relation to the Resolutions or the Explanatory Memorandum should be directed to the Company Secretary:

Annexure A – Performance Rights Plan Summary

The objective of the Performance Rights Plan is to provide an incentive to key employees of RVR to drive continuing improvement in RVR's performance and to provide those employees with the opportunity to acquire an ownership interest in RVR.

1. Eligibility

The Board may issue Performance Rights to any director, senior executive, or other employee (full or part time). The Board must have regard to the Employee's contribution to the business, the length of the period of employment of the Employee, the Employee's potential contribution to the business, and any other matters the Board considers relevant. Performance Rights may be held by the Employee directly, or by any entity nominated by the Employee.

2. Performance Conditions

The Board may make vesting of Performance Rights conditional upon Performance Conditions, and the Board may also waive any existing Performance Conditions if they see fit, subject to the Listing Rules and the law.

3. Maximum Number of Performance Rights

The Board will ensure that the number of Performance Rights offered to Employees over a 3-year period does not exceed 5% of the Company's issued Shares, unless the Board, in its absolute discretion, increases this percentage and that issue does not require disclosure in reliance on another exception to the Corporations Act or is made pursuant to a prospectus.

4. Entitlement

Each Performance Right entitles the holder to one fully-paid Ordinary Share (subject to satisfaction of Performance Conditions), which shall rank equally with all other fully paid shares on and from the date of issue.

5. Vesting

A Performance Right vests when the Board determines that the applicable Performance Conditions have been wholly or partially satisfied, or are waived.

6. Exercise

Performance Rights are exercised automatically upon vesting and the Company must issue the corresponding Shares within 30 days.

7. Lapse

Performance Rights will lapse upon any of the following events (unless the Board waives this requirement):

- 7.1 the Expiry Date is reached and the Performance Conditions are not satisfied;
- 7.2 the Performance Rights are transferred or an attempt is made to transfer them to another entity, without the approval of the Board;
- 7.3 an Employee voluntarily resigns;
- 7.4 an Employee's employment is terminated because of death, total and permanent disability, bona fide redundancy, or any other matter approved by the Board, unless the Board deems some or all of the unvested Performance Rights to vest;

Explanatory Memorandum

- 7.5 the Employee's employment is terminated because of fraud, dishonesty, breach of obligations, or otherwise for cause; and
- 7.6 a date is reached which is six months after an event described in paragraph 8 below.

8. Change of control and reconstruction

Notwithstanding the other conditions, the Board may declare that some or all unvested Performance Rights vest if any of the following circumstances arise:

- 8.1 a Change of Control event has occurred, or is likely to occur, and the Board considers that the Employee's pro-rata performance is satisfactory, which includes:
1. an offeror acquiring voting power of greater than 50% in the Company where, prior to a takeover bid, they held less than 50%;
 2. shareholders approve a compromise or arrangement pursuant to section 411 of the Corporations Act; or
 3. there is a selective capital reduction approved by Shareholders that results in a shareholder acquiring voting power of greater than 50% in the Company where they previously held less than 50%;
- 8.2 any person or corporation has a Relevant Interest in more than 90% of the Shares, and the Board considers that the Employee's pro-rata performance is satisfactory;
- 8.3 the Company is wound up, voluntarily or by order, or the Company otherwise disposes of its main undertaking; or
- 8.4 if there is any internal reconstruction, reorganisation, or acquisition of the Company which is not any of the above events.

9. Transfer

Performance Rights may only be transferred with the consent of the Board, except where required by the law because of death or bankruptcy. Shares granted from Performance Rights may only be transferred with the consent of the Board if there is a period of restraint attached to their issue, until that period of restraint has expired.

10. Variation and Waiver

- 10.1 To the full extent permissible by the Listing Rules and law, the Board may from time to time vary the terms and conditions to which Performance Rights are subject (either collectively or on an individualised basis).
- 10.2 The Board may at any time waive in whole or in part any terms or conditions (including any Performance Condition) in relation to any Performance Rights granted to any Participant.
