Market Update regarding outcome of application for stay of ASQA decision

Site Group International Limited (ASX:SIT, "Site") would like to update the market with regards to the activities of Registered Training Organisation (RTO) Site Skills Group Pty Ltd ("SSG"), a wholly owned subsidiary of Site.

As previously announced to the market Site Skills Group applied to the Administrative Appeals Tribunal (AAT) on 24 April 2018 for a stay of the decision of the Australian Skills Quality Authority (ASQA) made on 20 April 2018 to reject SSG's application for renewal of its registration as an RTO.

At a hearing in the AAT this morning, the Tribunal made an order that the decision be stayed until the final determination of SSG's application for an administrative merits review of that decision.

Both SSG and ASQA have agreed to discuss the provision by SSG of further information to ASQA and to report the outcome of those discussions to the Tribunal at a further hearing on Friday 25 May 2018.

Site will continue to keep shareholders fully informed of further developments.
