

ASX Announcement

22nd March 2013

Contract Award for Tempo Construction and Maintenance Pty Ltd

Tempo Australia Ltd (ASX: TPP) (**Tempo**) is delighted to announce that the company has signed a construction services contract through its wholly owned subsidiary, Tempo Construction and Maintenance Pty Ltd (**Tempo C&M**) with Laing O'Rourke Australia Construction Pty Ltd for work on Rio Tinto's expansion of Cape Lambert Port B (50MTPA+50MTPA) Project.

Laing O'Rourke Australia Construction Pty Ltd is a subsidiary of UK based Laing O'Rourke, one of the world's largest privately-owned international construction and engineering companies.

Tempo C&M will provide construction services to support Liang O'Rourke's Structural, Mechanical & Piping Package Scope on the Cape Lambert Port B (50MTPA+50MTPA) Expansion Project for Rio Tinto. Supervision and Skilled trade labour will start mobilising to site over the coming weeks with the contract expected to run through to the 31st of May 2013.

"Tempo is very pleased with the award of this important contract," stated Tempo managing Director Dick Wright. "We greatly appreciate the confidence shown by Laing O'Rourke in the ability of Tempo to deliver construction services for such an important project".

Executive Chairman, Nick Bowen stated, "The awarding of this contract vindicates the Board's decision to pursue organic growth and with the current level of tendering we expect greater momentum setting the foundations for sustainable growth".

For further information, please contact Nick Bowen on 0411 754 258, or Giuseppe Leone, Chief Operating Officer, on 0477 054 436.

About Tempo

Tempo Australia Ltd (ASX:TPP) was established in 2011 to provide SMP (Structural Mechanical Piping) services to mining, oil and gas sectors specialising in:

- ◆ construction (greenfield and brownfield);
- ◆ maintenance;
- ◆ sustaining capital works; and
- ◆ shutdowns.

Tempo works collaboratively with clients to execute projects safely and deliver them on time and budget.

Our vision is to create a fully integrated, multidisciplinary Engineering, Procurement and Construction (EPC) service provider delivering end-to-end EPC turnkey solutions to the mining, oil and gas sectors in Australia.
