Dear Elizabeth

Request for Trading Halt

I refer to the Extraordinary General Meeting to be held by the Company at 11.00 EST (9 am WST) today to approve the sale of the Company's Velpic business and to change the Company's name to VPCL Limited and your request that the Company go into trading halt pending the release of the results of the Meeting.

The Company therefore requests an immediate trading halt under ASX Listing Rule 17.1 in respect of the Company's listed securities, pending that release, which the Company anticipates it will make immediately after the close of the Meeting.

I am not aware of any reason why the trading halt should not be granted and there is no other information necessary to inform the market about this request.

Yours faithfully
