Dear Shareholder

IMPORTANT NOTICE

Sale of your Less than Marketable Parcel of 88 Energy Limited Shares

88 Energy Limited (ASX:88E, AIM:88E, OTC:EEENF) (**88 Energy** or the **Company**) has established a small holding sale facility (**Facility**) for eligible holders of parcels of fully paid ordinary 88E shares valued at less than \$500 (**Minority Members**) as at Friday, 13 June 2025 (**Record Date**). The Facility will only be available to shareholders who hold their shares on ASX, and it is not available to persons who hold an interest in the Company's shares via depository interests in CREST.

Our records show that you held a Less than Marketable Parcel based on the Company's share price of \$0.023 as at the Record Date. Based on this share price, a Less than Marketable Parcel is comprised of 21,739 or fewer shares.

The Company is offering the Facility as it provides the following benefits:

- holders of Less than Marketable Parcels have the opportunity to sell their shares without incurring any brokerage or handling costs which, in proportion to the value of their holding, may otherwise render a sale unattractive or uneconomical; and
- relieving the Company of the considerable costs involved in administering the holdings of Less than Marketable Parcels.

The Company has approximately 12,113 shareholders of which approximately 8,329 hold a Less than Marketable Parcel. These shareholders in aggregate represent approximately 5.64% of all issued shares.

Key dates

Event	Date
Record Date for the Facility	5.00pm (AWST) on Friday, 13 June 2025
Announcement to ASX Sale Facility	Monday, 16 June 2025
Letters sent to holders of Less than Marketable Parcels	Wednesday, 18 June 2025
Closing Date for receipt of Share Retention Forms	5.00pm (AWST) on Wednesday, 30 July 2025

You may choose to sell all of your holding or retain your existing holding as explained below.

1. Sell all of your existing holding

If you wish to sell your shares through the Facility, you do not need to take any action.

By refraining from taking any action, the Company is authorized under its Constitution to sell your shares following the Closing Date of 30 July 2025. Your shares will be pooled with other shares under the Facility and sold as soon as practicable after the Closing Date.

The price you receive for each share sold through the Facility will be not less than the "Authorised Price" under the Company's Constitution. The "Authorised Price" is the price per share equal to the average closing price of the Company's shares on ASX for each of the five trading days immediately preceding the date the Company receives any offer to purchase the Less than Marketable Parcels (**Sale Price**). All participants who have their shares sold will receive the same Sale Price per share, where the proceeds from the sale process will be apportioned pro rata amongst all participating shareholders according to the number of shares sold on their behalf.

Sale proceeds will be paid to you in Australian dollars either by electronic transfer into the bank account with any Australian "Authorised Deposit-taking Institution" (if you have previously provided banking details to the Company's share registry) or alternatively by cheque to your registered address, as soon as practicable following the sale of your shares. If your registered address is in New Zealand, sale proceeds can be paid to you in Australian dollars or New Zealand dollars by direct credit only and your sale proceeds will be withheld until bank account details have been provided. Eligible shareholders who reside outside of Australia and New Zealand may elect to receive the proceeds electronically in their local currency using the share registry's Global Wire Payment Service. For a list of currencies offered and how to subscribe to the service, shareholders should contact the Company's share registry. A transaction confirmation statement will be sent to you confirming the number of your shares sold and the price and total sale proceeds you have received. All sale proceeds will be rounded to the nearest cent.

You may update your payment instructions by visiting www.investorcentre.com/au or by contacting the Company's share registry.

You are encouraged to update your payment instructions to ensure prompt payment by electronic transfer.

If you would like your updated address or payment instructions to be used when remitting proceeds and sending documentation to you, please ensure these details are updated by the Closing Date.

All costs associated with the sale of your shares will be borne by the Company. No brokerage will be payable by you. Any tax consequences arising from the sale of your shares will be your responsibility.

If your shares are held in a CHESS holding, the Company may after the Closing Date, initiate a holding adjustment to move your shares to the issuer sponsored sub-register for the purpose of the Facility.

2. Retain your Less than Marketable Parcel

If you wish to retain your existing holding, then you must either:

- correctly complete, sign and return the enclosed Share Retention Form in accordance with the instructions on that form, so that it is received by 5.00pm (AWST) on 30 July 2025, being the Closing Date for the Facility; or
- arrange to have multiple holdings consolidated into the one holding which has 21,740 or more shares on the Closing Date; or
- make your own arrangements outside the Facility to purchase additional shares so that you are the registered holder of 21,740 or more shares on the Closing Date. The increase must be under the same name and address and with the same holder number (SRN or HIN) as set out on the attached Share Retention Form

If you successfully take one of these steps, the Company will not be entitled to sell your shares.

Important Information

The Company reserves the right to vary, delay or terminate this small holding sale facility by notice to the ASX.

The Company is not bound to sell any or all of the shares that may be available for it to sell under the Facility, and there is no guarantee that the Company will be able to sell your shares. In addition, the sale proceeds may differ from the market value of your shares on the Record Date, depending on movements in the market price of the shares and on the Company appointed brokers' ability to procure purchasers.

The Company will determine whether a shareholder has a less than marketable parcel as at the Record Date and whether that shareholder is eligible to participate in the Facility. The Company will not have any reference to any increase in the price of shares after the Record Date in determining whose shares may be sold or bought back pursuant to the Facility. If the Share price increases between the Record Date and the Closing Date so that the value of your less than marketable parcel increases to more than a marketable parcel on the Closing Date, your Shares which are the subject of the letter will still be sold under the Facility, unless you return your completed Share Retention Form to the Share Registry in accordance with the instructions in the Share Retention Form, by 5.00pm (AWST) on the Closing Date.

Neither the Company nor any other person involved in the Facility shall be liable for failure to sell the shares or at a particular price. The price of the Company's shares is subject to change and an up-to-date price can be obtained from the ASX website (www.asx.com.au) under the code "88E".

The Company does not make any recommendation or provide any advice to you regarding whether to sell your holding under the Facility, retain your existing holding or acquire additional shares.

If you need help deciding what to do, or if you require information regarding the financial, legal or tax consequences of participating in the Facility, you should consult your appropriately qualified adviser.
