Completion of Placement and Institutional Entitlement Offer

Aeris Resources Limited (ASX: AIS) (**Aeris** or the **Company**) is pleased to announce the successful completion of the institutional component (**Institutional Entitlement Offer**) of its fully underwritten 1 for 4.42 pro-rata accelerated non-renounceable entitlement offer (**Entitlement Offer**) of new shares (**New Shares**), which was announced on Wednesday, 28 April 2022. Proceeds from the Institutional Entitlement Offer will be put towards funding the cash consideration for the acquisition of Round Oak Minerals; for general working capital; and to pay the costs associated with the acquisition.

The Institutional Entitlement Offer raised approximately \$30.1 million through the issue of approximately 286.84 million New Shares at \$0.105 per New Share (**Offer Price**) and was well supported by existing eligible institutional shareholders, who took up approximately 59% of their entitlements.

The institutional shortfall and Institutional Placement were oversubscribed by both existing eligible institutional shareholders and new institutional investors.

Each New Share issued under the Institutional Entitlement Offer will rank equally with existing Aeris shares on issue. New Shares under the Institutional Entitlement Offer are expected to be allotted on 6 May 2022 and trading on a normal settlement basis is expected to commence on the ASX the next business day.

In addition to the above, Aeris also entered into Placement Agreement with existing Institutional shareholder, Paradise Investment Management Pty Ltd (Paradise) for a placement of additional Aeris Shares at the Offer Price to raise a further \$17.1m. The issue of these additional shares is subject to required Aeris shareholder approval and completion of the acquisition of Round Oak Minerals² ("**Conditional Placement**").

Aeris expects its trading halt to be lifted and Aeris shares to recommence trading from market open today (Monday, 2 May 2022).
