ASX ANNOUNCEMENT

20 NOVEMBER 2026

RESPONSE TO INDUSTRY ARTICLE

Orica (ASX: ORI) notes a recent article in an industry publication regarding a potential acquisition of Syensqo's Technology Solutions unit, a subdivision of its chemicals business, primarily servicing the mining industry.

Orica confirms it has reached Stage 2 of a competitive sales process. The process is in its early stages, no binding agreement has been reached and there is no certainty that any transaction will proceed.

Orica regularly assesses opportunities in its core and key growth segments and takes a highly disciplined approach. Potential deployment of capital will only be considered if it is line with our strategy and capital management framework, meets strict financial return hurdles and delivers enduring value for shareholders.

Orica will update the market in accordance with its continuous disclosure obligations.
