Aeris Resources Limited (ASX: AIS) (Company) - Request for Trading Halt

The Company requests an immediate trading halt of its securities be granted by the ASX with effect prior to commencement of trading on Friday 16 February 2018.

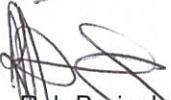

For the purposes of Listing Rule 17.1, the Company provides the following information:

- a) the trading halt is requested pending the release of an ASX announcement regarding the outcome of an application in respect of the Torrens Project under the South Australian Aboriginal Heritage Act;
- b) the Company requests the trading halt remain in place until the earlier of the commencement of normal trading on Tuesday 20 February 2018, or when the announcement on the outcome of the Torrens Project application is released to the market; and
- c) the Company is not aware of any reason why the trading halt should not be granted.

The Torrens Project is a joint venture between the Company (70%) and Argonaut Resources NL (ASX: ARE) (30%), exploring for iron-oxide copper-gold systems in the highly prospective Stuart Shelf region of South Australia.

Thank you for your assistance.

Yours sincerely
Aeris Resources Limited
