ASX Trade – ATU and CLQ to be placed into an Enquire session state for Tuesday 4 August 2015

Due to an ASX technical issue Atrum Coal NL (ATU) and Clean Teq Holdings Limited (CLQ) will not be available for trade date 4 August 2015 on ASX Trade. These securities will be placed into the instrument session state Enquire.

In the Enquire session state no trading messages may be entered or amended in the Trading Platform for ATU and CLQ and no matching or auctions will take place.

It is expected ATU and CLQ will be available for trade date 5 August 2015.

Trading on Chi-X is not affected by this issue.

What do I need to do and by when?

No further action is required from customers.
