## NCTC Graduation

The Directors of Site Group International ("Site", ASX: SIT) are pleased to announce the graduation of the first 170 trainees at National Construction Training Center, Nairiyah, Kingdom of Saudi Arabia.

The college operates in conjunction with AlAjmi Company of Saudi Arabia and Canadian Petroleum.

Services of Canada developing young Saudi men for careers on with a number of Saudi Aramco Contractors. The first graduation of 170 trainees is a milestone event for the college. All graduates have secured employment, a great validation of the training programs. Leading international companies such as Nasser S. Al-Hajri Corporation (NSH), Técnicas Reunidas, ARKAD and CCCP are employers of the graduates.

The trainees span five trades and now enter careers as electricians, welders, pipefitters, safety officers and instrumentation technicians.

Dr Abdullah Al-Ajmi, Managing Director of Al-Ajmi commented, "This is a momentous day. Our graduates are the future of the Kingdom (of Saudi Arabia) and we are very pleased to help them achieve their career goals."

Site's CEO and Managing Director Vernon Wills added, "Our 9 month program in conjunction with partners AlAjmi Company and Canadian Petroleum Services has developed highly skilled workers for a number of companies. 100% employment of our graduates is testament to the success of the program and the quality of skills developed. Our focus on employability skills and relevant technical skills is what sets our program apart."

These are the first 170 graduates with Site contracted to graduate 1800 students over the next 2.5 years with the college now at capacity of 600 students.
